National FFA Convention & Expo Results 2015

Nevada FFA students helped break an attendance record at the 88th National FFA Convention and Expo in Louisville, Ky. on October 28 through 31, 2015. The new record is 65,173! These students participated in workshops, tours, competitive events, nine leadership-based sessions, a 450+ booth career show, and enjoyed the convention shopping mall. Students also enjoyed visiting various sites and tours in the Louisville area. Videos and highlights of the convention can be viewed at www.ffa.org.

Support Future Nevada Teams

In order for these students to compete at the national level they must first qualify at the annual Nevada FFA State Convention. The Nevada FFA Foundation seeks funding each year for the various competitive events and activities at the state convention. Not only does this state experience prepare students for national competition, it also prepares them to be successful in life. Many businesses and individuals have helped prepare Nevada's students through their state convention sponsorship. If you are interested in becoming a supporter, please visit www.nvaged.com.
